

MOTION PICTURE AND TELEVISION FUND (MPTF) FINANCIAL ASSISTANCE POLICY FOR PATIENTS (FAP) SUMMARY

MPTF offers financial assistance to patients receiving medically necessary care in our Samuel Goldwyn, Jr. Center for Behavioral Health (CBH) facility. This policy applies to patients that meet the following situations:

- Under insured patients – Patients with some form of third-party health coverage which is not sufficient to pay the current bill. If a patient demonstrates that the annual out-of-pocket medical costs incurred by the individual (or their family) exceed 10 percent of their current household income or household income in the prior 12 months, they are eligible for financial assistance.
- Uninsured patients – Patients with no third-party health coverage. If a patient demonstrates that their income for the prior 12 months is equal to or less than 400% of the Federal Poverty Level Guideline, they are eligible for financial assistance.

To apply a completed application and proof of income must be returned to MPTF Attention Patient Business Services (PBS) Manager Mail Stop #70, 23388 Mulholland Drive, Woodland Hills, CA 91364.

Acceptable proof of income documentation:

- Last year's federal tax return
- Written documentation from all income sources
- Last 2 months bank statements
- Receipts of high medical cost within last 12 months, if applicable (see under insured patients)

If the patient qualifies for financial assistance, they will receive 100% financial assistance.

If the patient does not qualify for a financial assistance, the patient may negotiate the terms of an extended payment plan or request a review of the PBS Manager's determination by sending a written request addressed to the MPTF Director, Finance, Mail Stop 218, 23388 Mulholland Drive, Woodland Hills, CA 91364. The request must include all supporting information for the review

In all cases, a validation must be completed to ensure that the patient's medical services are not covered by any federal or state governmental health care program, or other private insurance. Certain services performed by non-MPTF providers cannot be discounted by MPTF.
