

COVID-19 PROTOCOLS

****WE STRONGLY RECOMMEND BOOKMARKING THIS PAGE AND CHECK BACK REGULARLY AS INFORMATION IS SUBJECT TO CHANGE****

21ST ANNUAL NIGHT BEFORE THE ACADEMY AWARDS®

FINAL COVID-19 SAFETY REQUIREMENTS AND PROTOCOLS

UPDATED AS OF WEDNESDAY, MARCH 1, 2023

All guests will be required to show proof of a negative COVID-19 test result in order to attend the *Night Before*.

To ensure the health and safety of all attendees, we are requiring all guests to attest to the following, in order to attend the ***Night Before***:

- I will NOT attend if I feel sick or am showing symptoms.
- I will NOT attend if I have been knowingly exposed to COVID-19 within 72 hours of the event.
- I will provide proof of a negative COVID-19 Antigen test result taken within 24 hours or PCR/LAMP test result within 48 hours of arriving to the event.
 - Tests are the responsibility of each attendee. Testing will NOT be offered at the event.

The 21st Annual ***Night Before*** the Academy Awards® benefit endeavors to make this event as safe as possible. The health and well-being of our guests and staff is our top priority and we are working to ensure a safe event that complies with local government and industry COVID-19 protocols.

The ***Night Before*** will be subject to public health authorities' guidelines and recommendations, as well as any venue restrictions. All attendees including guests and credentialed staff must agree to comply with all COVID-19 Related Restrictions which may include but are not limited to, proof of vaccination and proof of negative COVID-19 test.

Please note, we are continuing to monitor the evolving situation and this policy may be subject to change based on guidance from health and safety officials or changes in state or local safety mandates.

As you make plans for the *Night Before*, please bookmark this page and check back often as this will be regularly updated with the latest health and safety protocols.
